MEMORANDUM FOR: [REDACTED]

25X1

SUBJECT : Microwave Facilities from Moscow to Vladimir, USSR

REFERENCES : NSA/SPO/R-59-71  
(NPIC Project 250976)

1. In response to the referenced requirement, a search was made to identify new microwave facilities along the 100-nautical-mile (nm) microwave line between Moscow and Vladimir. No new microwave facilities were identified and no significant changes were observed at the existing facilities described in the report listed below.

NPIC. [REDACTED] Two Microwave Lines East from Moscow Area--Noginsk-Vladimir and Rechitsy-Murom, USSR, Jul 70 (TOP SECRET [REDACTED])

2. All available [REDACTED] photography through [REDACTED] was used in the search. None of the reported facilities has been covered on [REDACTED] photography since [REDACTED] the date of the latest photography used in the referenced report. Only a small portion of the search area has been covered by [REDACTED] photography since [REDACTED] and this coverage was of limited interpretability.

3. This project is considered complete. Any further inquiries should be directed to [REDACTED] NPIC/IEG/SD/EB, IDS Code 143, extension [REDACTED]
